

INDEX - PUBLIC CLAIMS RECORDS - REVOLUTIONARY WAR

Monongalia County, Virginia

The following is a list of Monongalia County persons whose services to the Revolutionary War will not necessarily be found in indexes of Revolutionary soldiers and sailors. The names were taken from the records of Public Claims found in the archives of the Virginia State Library.

Public Claims are the records of supplies given and services rendered for the purpose of carrying on the war. Without these supplies and services, victory for the Continentals would have been impossible.
